

**Community Sector
Monthly Report
Sector 413
April 2009**

Greetings!

Well – this month I am not going to talk to you about numbers - I am going to talk to you about property crime.... Thefts from cars are killing us!! We are doing everything we can to deter this crime but we really cannot do it without your help. As I have said in the past – the people that are committing these thefts from your cars are walking around at all hours of the day and night – in all neighborhoods - looking into your cars. They do not care if you own a UGO or a BMW – if you have something visible in your car – you increase your chances of becoming a victim.

If you have a GPS mounted or just the mount on the window – your car will get broken into.

If you have loose change in your car – your car is going to get broken into.

If you have a gym bag full of dirty clothes in your car – guess what – your car is going to get broken into.

Laptop – you guessed it – you will be a victim of theft if you leave it in your car.

If you have been in community meetings with me – you already know this because it is the same thing that I tell you every time I see you. I am sure that you are not the people that I really need to be talking to so I need your help in spreading the word. PLEASE tell your friends, family, neighbors, co-workers, etc. that they should never leave anything in their cars – it really doesn't matter what the item is.

And PLEASE call the Police if you see anything or anyone suspicious in your neighborhood!!!

WELCOME

Commander James Horn, formerly the Lieutenant of the 3rd Precinct's Focus Mission Team, was promoted on May 1st and will take the command of 4th Precinct. Captain Hall will take the command of the Division of Emergency Communications.

Congratulations to Captain Horn and we wish Captain Hall great success in his new assignment!

Good News!!
